YAZOO CITY, MI., WEDNESDAY SEPTEMBER 24, 1851.

LETTER FROM COL. KING. Tuscaloosa, ALA., July, 25th '51. Dear Sir:-Your letter reached Seima forwarded by the post-master to this place. The divisions which unfortunately exist in he D mocratic party, are indeed, as you and a serious question is presented, can the evil be remided!- For one, I must confess hat I can see no such indication, either North or South, as would lead to the belief three " man will 8 00 Democracy of the North lend themselves to twelve the make common cause with the unprincipled Longer advertisments the same proportio and infamous agitators and ab ditionists, no portion of the Southern Democracy will ever be found acting in concert with them. All our troubles have arisen from the extraordinary conduct of those professing Democrats, in whom the entire democracy once D JO ES, having removed to Yazoo city, reposed unbounded confidence, and felt delighted to honor; but for their base abandonment of principle, abolitionism would have cery and High Court of Errors and Appeals at still been confined to a portion of the whigh party, and a small squad of ignorant fanat-His office is with Drs. Kidd and James on ics. But for them the south would have been saved from that unjust legislation which has aroused a portion of her proud and excitable population seriously to contemplate a dissolution of the Union Now, sir, much as I disapprove of any movement either in the north or south calculated to destroy this Government, the finest, and, pr perly administered, the best the world ever saw. I am free to declare that I make many allowances for those of the south, who, smarting under a sense of injustice and wrong inflicted on them, would free themse ves from all their constitutional oblig.

not a blessing. How then can we of the South unite in council with those who have not only shown themselves regardless of our safety, but, judging from the past, would unhesitatingly pave the way for making our section a St. Domingo; and coolly look on, if they did not rejoice to see the blood of our mothers, wives and sisters, moisten their native soil. did it give such a doubtful boon as liberty to such a people as the blacks? I have ever been a Democrat of the Jeffersonian school, and I am firmly impressed with the belief RENCE, Dentists. Office on Main that the permanency of our government ed at present the emporium of the great depends on its being administered in strict southwestern frontier. Perhaps the most accordance with Democratic principles; and yet I cannot consent to owe the temporary ascendency of the Democratic party to a union with the abolitionists. With the good and true Democrats of the North, and Attorney's at Law North west, I am ready to meet, as brother WILL give prompt attention to business meets brother; to stand with them shoulder entrusted to them in the Circuit and Pro to shoulder, and contend for vic ory, be our bate courts of Yazoo Holmes and Madison standard bearer who he may, only let him be faitnful to the guaranties of the constitution and the uncompromising enemy of all disor ganizers. But we must have no pretended friends in our camp, who, while they cry hall brothers," would stab us under the tifth rib. If the true democra y cannot bea. WILL practice in the courts at Jackson, aloft the flag of victory, better let it trail in and the Circuit Courts of Holmes, the dust than be uphed by the hands of Yazoo Carroll, 't'ala and Choctan and the those who to subserve their nefarious pur poses, would as readily trample it under foot

tions, are warring against their rights;

the preservation of which is essential

to the personal security of every Southern-

political power, or for any other cause,

as waive it to the breeze. I believe I speak the sentiment of nine tenths of the Democracy of this Sale, whe I say we have no sectional preferences, and stand fully prepared to give our support to the nominees of a Democratic convention. properly constituted, whether they reside in the North, the South, the East, or the West. Many of us, however, entertain the opinion that, under existing circumstances, it would be true policy, and productive of he best interests of the party and the counry, to have a Northern man designated for the Presidency. Individually, although 1 have no personal preference, I could giv my cordial support to any of the distinguish d gentlemen you have named, either for he first or second office, knowing as I do heir intelligence, integrity and devotion to he whole country. Will not next winter e early enough to fix on the time of holding he convention? The place is of minor importance. I do not think the people of this State have, as yet, turned their attention to his matter. For the kindly terms in which you are pleased to speak of me, personally accept my thanks. I hope to have the pleasure of seeing you at Washington.

Faithfully, your ob't serv't WILLIAM R. KING.

Nearly all the trees of the place were blown down. The roofing of the capitol or otherwise badly injured. Numbers of kitchens and out houses were prostrated, A GRAND SPECTACLE.—The head winds and and fences in all directions were torn down.

It is stated that the buildings at St. from the lower bay, presenting a scene unequalled perhaps in any other harbor in the warehouses and Holt's Hotel, are gone.

It is stated that the outlaings at St. his horse and put him to bed. I advised him to bed. I The floors of the warehouses were beaten pered for him a lemonade. In the meantime

away or sank. The water rose highe himself with several official personages. than it was ever known before and porall the buildings destroyed. The customhouse books and papers are all gone, and nothing is left of the establishment, but (gen rally small frame houses of little va ue) were carried away. The water is stated to have risen at least twelve feet above ordinary tide evel. At the terminus the railroad was all uprooted.

The St Mark's lighthouse suffered no material damage. The breakwater, how. Dash down that sparkling cup!-its gleam ever was carried away. The lighthouse people were dreadfully alarmed, for it Is but a false, deceitful beam, shook to its lowest stone. Its iron door, 100, was forced in, and this added great y The sparkling beam will fade away,

to the terror of its inmaies. At New Port, there is said to have been about 6 feet water in town. The steame-Spray, drawing four feet, took passengers through the street to the horel, the first floor of which was covered a foot. The greatest sufferer is reported to be Mr Ladd, in whose storehouse the water is said to have dashed ove the counter. His loss is estimated at \$6000 McNaught Before whose hot and middening breath-& irmond are reported to have sustained damage to the amount of \$300 00.

The roads everywhere, as far as heard from, were obstructed by the fallen trees. More timber has been blown down than Dash down the cup! -- thy father stands was ever known before by any three

The damage to the crops has, of course been immense. The cotton has been destroyed one-half. These are only the first accounts of this
